

Wairarapa Line

Maymorn and Matarawa Stations are stop-on-request only stations. To get on, you must be visible on the platform. To get off, notify the crew.

Bikes on Wairarapa trains

Wairarapa Line trains can carry bikes in the luggage car when space is available. The luggage car is always on the northern end of the platform. Bikes and luggage must be carried up a few steps with a narrow entrance on the luggage car, unlike other Metlink trains.

Passengers must load their own bikes and luggage into the luggage car while staff supervise. Bikes and luggage should not exceed 30kg in weight, and bikes must be under 180cm in length. Large cargo-style bikes can't be carried on Wairarapa Line trains.

Buses replacing trains

Check timetables and alerts regularly, as buses may replace trains at other times, including weekends and holidays, due to maintenance requirements.

Buses replacing trains do not stop at Matarawa Station. Please use Carterton Station. Greytown does not have a train station, and is a bus replacing train bus stop only.

Bikes on buses replacing trains

Buses replacing trains are not guaranteed to have bike racks, and buses with racks can only carry two bikes at a time. Bike rack spaces are first come, first serve.

Wairarapa local buses

Bus 200 connects Featherston Station to Martinborough, Greytown and Masterton.

Bus 204 connects Woodside Station to Greytown on weekdays only. Masterton local buses 201, 202, 203, 206 run on weekdays only.

Thanks for travelling with Metlink.

Connect with Metlink for information about bus, train and ferry services in the Wellington region.
